INSURANCE CARD PROGRAMS

IMS Ideas provides Insurance Cards for many of the largest health card organizations in North America such as Blue Cross Blue Shield. This can be large reissues or critical same day mailing for daily membership files which can have a multitude of different logos, co-pays and contact information on both card front and back.

- IMS Ideas is HIPAA compliant as is required for all health insurance card issuers
- Our camera matching systems and digital match archive eliminate the possibility of a mismatch between card and recipient
- One to four family matching cards can be affixed to each letter

LOYALTY CARD PROGRAMS

IMS Ideas can assist retailers, associations and membership organizations in launching or upgrading their loyalty programs to reward and retain their best customers.

- Loyalty software and processing available with no large upfront developmental expenses
- Special Elite Level programs developed for a company's best customers such as the Hilton Honors Program.
- Many benefits are available that can be added to the card allowing it to stand out from the others in the market and that can be provided free or charged to the customer, adding to your revenue
